**B**ooker T. Washington State Park, located near Chattanooga, honors pioneering black educator Booker T. Washington while providing users a water playground area that has space for a variety of recreational activities. The 353-acre park lies along the shores of Chickamauga Reservoir.

Its namesake, Booker Taliaferro Washington was born into slavery at Hale's Ford, Virginia. With great determination, he secured an education and became one of America's best known and most loved citizens.

He became a prominent writer, scholar and educator and is most widely remembered for his many years of service as president of the Tuskegee Institute, a prestigious Institution of higher learning for African-American students. Now recognized as the Tuskegee University, this school is well known for its excellence in veterinary medicine.
